### THE SQUIRE ALL THE WAY.

WINS GRAND CONSOLATION STAKES LIKE A GOOD ONE.

Right Royal's Easy Success-My Grace Takes the Steeplechase-Ivanhoe Defeats

Killiecrankie.

Washington, D. C., November 23.-The card offered for the second Saturday of the meeting was as good as it is possible to make up from the horses here. Three stake features to be decided during the afternoon brought the largest crowd of the meeting to the track. Rain fell again almost all afternoon and the air was raw and chilly. The track looked more like a country road than a race course. It was a streak of mud and water.

Eight withdrawals from the first race still left

twelve to go and the erratic mud horse, Graziallo, was made favorite. St. Joseph, which had acted like a crazy horse in the paddock, was the first to get away, but soon quit and finished last. Poquessing, the second choice, followed the leaders closely and, after a bumping match when turning into the stretch, won easily. Nancy probably suffered the most from the jam in the stretch, but finished and outstayed Killochan for second place Graziallo loomed up menacingly in the stretch, but tired and was a close-up fourth at the end.

Diver, the Clear-the-Way gelding from the Kern was the only absentee in the Hunters Champion. Diver has raced at this track nearly every year of his long turf career and the crowd would have liked to see him under colors in the race. Tellfare was the public choice to win the cross-country feature, but fell after unshing into the lead by slipping as he landed at the jump near the finish of the first time around. He was re mounted by Mr. O'Brien, but was so far back that he barely got up to beat Flying Machine for third place, although his rider did not seem to persevere with him. My Grace caught Warrenton tiring near the finish and came away very easily at the end. Mr. A. Henry Higginson, of Boston, who races a number of steeplechasers under the nom de plume of "Mr. Chetland," started his bay John T. Morgan for the first time in the race, but he pecked at a jump while going the second time around and unseated Wilson.

The Grand Consolation was won by Thomas Welsh's The Squire in a canter, after leading all the way unextended. The New Yorkers thought Mr. R. T. Wilson, Jr.'s Falcada was the one to win and accordingly backed the Woolsthorpe chestnut at a short price. Notter took the winner to the front at the rise of the barrier and, before he had gone an eighth, had established a long lead which the favorite could not reduce, although making a game challenge on the far turn. Smoker, the added FAVORITES BEATEN AT OAKLAND.

The condensed history of the Grand Consolation Stakes is as follows:

considerably marred by the failure of Banker. which won the race twice in succession, to start. Red Friar, D'Arkle and Martin Doyle were also considered as contenders and probable winners, and their absence reduced the race to an ordinary affair. Right Royal, which won his last two starts, was the natural favorite, and the black horse ran accordingly. Beauclere, with Notter up, received the support of that jockey's following, but could not do better than third. The winner of the Vestal Stakes ran a good race, but was not able to keep pace

with the winner.

Ocean Spray THE CHAMPION FILLY OF NEW ORLEANS RACING.

G. H. HOLLE'S MOLLIE MONTROSE, CH. F. 2, BY CESARION-BEZIQUE.

A filly of great speed made her bow to the pub-New Orleans January 19, 1907. the chestnut filly, Mollie Montrose, by Cesarion— Bezique. She won at the first time of asking and was the winner of eight consecutive races before meeting defeat. Her first race was at three-eighths of a mile and she won by a field from Lute Foster, with Black Mary a head farther back and eleven more youngsters unplaced. It was a fast track and the race was run in 35. January 24, she defeated Lawless, Lee Crest and ten more at three and a half furlongs, winning by a length and a half in 43. January 31, she won at a half mile over a muddy track in 51½, beating Dew of Dawn a half length, with Bitterly third and nine others unplaced. February 9, she met her great rival, Notasulga, for the first time and with Nicol, with 115 pounds up, gave her a beating and four-teen pounds, running the three and a half furlengs of the race in 415. Coincident was third and

Her races so far were all for purses. February 22. she made her first start in a stake race. was in the Martha Washington Stakes at the Fair Grounds at a half mile. With 115 pounds on each she won from Notasulga by a length and a half in such fast time as  $47 \frac{1}{5}$ . Lattice was third and eight other fillies ran unplaced. Her next start was for a purse at City Park, distance three and a half furlongs. This she won from Dew of Dawn, Brawney Lad and eight others in 41%, carrying 119 March 18 she won from Dew of Dawn Lady Caroline II. and six more at four and a half furlongs in 54g and carried 118 pounds. This was at the Fair Grounds. At the same track, March 23, with 119 pounds up, she ran a half mile in 473 and defeated Montbert, 100, Bitter Sir, 98, and five more lightly weighted ones. It was a new track record. This concluded her remarkably successful career at New Orleans and she ran but one/more race. This was in the Debutante Stakes at Louisville. It was a muddy track and, after running in the front rank for a quarter, she fell away beaten and was unplaced to Ancient, Woodand Black Mary. After that she was retired and was raced no more. Her record is as follows: Age. Sts. 1st. 2d. 3d. Unp. ... 2 9 8 0 0 1 1907 ..... 2 \$3,710

three lengths in front of Dele Strome, which closed considerable gap in the last half.

The bad acting of St. Joseph caused the stewards to have the track veterinary examine him and the matter is now under investigation. Trainer Joe Marrone offered to have the horse examined by other veterinaries at his own expense, and claims he does not know anything that should cause the horse to act as he did. There was no backing for St. Joseph here.

Only Two Reward Their Backers - Peter Sterling Scores at His First Attempt.

Oakland, Cal., November 23 .- In a racing way today's sport at Oakland was all that could be de sired, being both brilliant and spectacular. From a betting standpoint it was just the reverse, acutely unsatisfactory and distressing financially to part of the big crowd of 10,000 race-goers. The card was very attractive and many good horses were Every one of the six races contained an entry of seemingly conspicuous superiority, but only two of these, Money Muss and Canique, at odds-on, rewarded their backers. The other four, three of them, Altadice, Martinmas and Sugarmaid, at prohibitive prices, and San Alviso, in the Gilroy Handicap at one mile and fifty yards, failed to materialize. This race developed into a slashing contest, the finish being intensely exciting and of the closest description. A bad start marred its running, however, and much the best horse in Legatee was beaten because the assistant starter held him so long at the post that he got away many lengths behind his six opponents. Tiny Bux ton nursed the Belvidere gelding with such good judgment and skill that, although unplaced at the end, less than a half length separated him from Peter Sterling. The latter was the medium of a "killing" on a big scale, but scored a lucky victory.

The closing race, won by the outsider, Arklirta, was marked by extremely fast time. Messrs. J. A. Bennet and W. B. Jennings timed the winner's last five furlongs in 58%. Both agreed that they had never timed a horse as fast as that in any race that has come under their observation. An interesting angle developed after this race, wit: R. F. Carman won a large sum in wagers Arklirta because his betting commissioner had misunderstood his instructions and backed the F. J. Farrell cast-off at 10 to 1 instead of Silver Stock ing, the other 10 to 1 shot in the race. Mr. Carman fired his betting agent forthwith.

Jockey Grand, rider of All Alone, was fined \$25

kept nearest company to the winner for the first by the stewards for cutting across in front of mile and lasted long enough to save third place Altadice in the second race on the complaint of Walter Miller, who rode Mr. Williams' good colt. W. E. Pinkerton and Inspector W. W. Mc-Laughlin, of New York, were visitors at Oakland today.

Mack, the disgruntled owner of Tavora, wa H. fined \$100 by the stewards today when they heard that he had refused to take the run-up of his filly with becoming meekness.

A. G. Blakeley arrived at noon with a carload of racers from the east. Oran and Ormuz, belonging to W. O'B. Macdonough, were in the consignment, also Sister Frances, owned by W. M. Rogers, were Samuel Emery's.

### MOISTY CITY PARK START.

NEW ORLEANS RACING BEGINS WITH UNFAVORABLE WEATHER.

Keator Runs Away with the Initial Handicap -Frank Lord Defeats Platoon-Incidents of the Day.

New Orleans, La., November 23 .- The opening of the New Orleans legitimate racing season for 1907-8 could be called auspicious, due to prevailing conditions. The early hours held out slight prospects for good weather, but towards noon the sun out and this had a tendency to brighten things. An estimated attendance of 5,000 was on hand. Thirty-one layers, twenty-eight in the big ring and three fielders, handled the betting which was of better volume than had been expected.

For an opening day's card it was below par the heavy track being held to blame for this. Only four starters accepted the issue in the Initial Handicap which featured the card, and victory went to Frank Brown's Keator, the favorite. Plantland, the runner-up, might have been closer to the winner but for lunging in the air as the barrier was released. The mishap caused him to lose much early ground, while the winner went into a long lead. Gradually the Fizer candidate bore down on Keator, but Nicol on the latter drew away in the stretch run to win as he pleased. Chief Hayes, which had been Keator's most dangerous attendant for the first three furlongs, tired fast in the stretch, but was good enough to beat out Yankee Girl.

The steeplechase resulted in the closest finish of the afternoon, the leading trio coming to the winning line only heads apart, Sam Hoffheimer, the favorite, winning, and W. K. Slade taking second place from the fast-coming Pete Vinegar. Under stronger riding W. K. Slade would have won, Wood on him losing much ground when approaching all the jumps, and at the fifth hedge almost fell off when he failed to steady his mount.

The chief incident in a racing way came with the running of the closing race and was furnished by jockey Mountain astride of Jungle Imp. Mountain had the race won in the last sixteenth, but began easing his mount up with the result that he was almost stationary when nearing the finish. Sumter, who had been hard at work on Sea Salt from the half-mile ground, brought the latter up with a terrific burst of speed and almost landed the purse. A howl of dismay came from Jungle the purse. Imp's backers, and they spent several moments of uneasiness until the official numbers were displayed showing Jungle Imp winner. Had Mountain been beaten the judges would probably have taken drastic action against him.

Favorites were successful in three races besides the feature event. Frank Lord's and Jungle Imp's victories were costly to the layers.

Among the principal layers that handled the money today were: Cella, Fred Cook, Jack Sturgis, "Kid" Weller, Fontilieu, Tom Shaw and Fred Adler. The new system betting did not cause any serious confusion and has evidently come to stay.

Jockey Lee was the first to come under starter Dade's displeasure and was given a four days' suspension for misbehavior while at the post in the stake race. Fred Forsythe arrived today from Lexington with

sixteen horses that will be campaigned here. C. W. Patterson came from Latonia with seven racers, including Telegrapher and Carew.

Riley Grannan was among the visitors and will operate from the ground for some time before joining the ranks of layers. A. L. Kirby, who is in charge of the field books,

returned today from New York, where he attended the funeral of his brother. The report that Fred Cook would remain here but

a short while before going on to California, was denied by him today on his arrival from his farm in Illinois. It is Cook's intention to book here for the entire season of racing. Several horses will be shipped here from Nashville next

Herman Brandt, in charge of Barney Schreiber's orses, stated today that he had turned out Seymour Beutler, his recent acquisition at Schreiber's Wood. lands Farm in Missouri. Brandt expects Seymour Beutler to rank with the leading three-year-olds next season and intends to give him every opportunity to develop.

Shaw reports a successful eastern season and will remain here throughout the winter.

### TO PROMOTE SOUTHERN RACING.

The Virginia horsemen and breeders who are ing for the passage of a bill to revive racing in that state have organized themselves under the name of the Virginia Breeders' Corporation. R. J. Hancock, Arthur Hancock, William Garth. Trevelyan, W. L. Maupin, Robert Neville, Dr. James Kerr, H. T. Oxnard and H. G. Breckenridge are among the most prominent members of the new organization. If these gentlemen succeed in establishing a racing circuit in Virginia next year they believe it will be of much encouragement to the horsemen of the Carolinas and Georgia in again establishing a racing circuit in those states. The principal cities of those states which could easily support a meeting each year are Charleston, Colum-Savannah, Atlanta, Macon, Augusta, Raleigh and Wilmington.

#### BIG SANTA ANITA STAKE ENTRIES.

#### Aggregate Greater than Ascot Ever Drew-Many Crack Racers Nominated.

Los Angeles, Cal., November 18 .- The directors of the Los Angeles Racing Association held a meet ing today for the purpose of awarding concessions at the track and naming officials who will serve at the track. The following were the selections: Pre-siding judge, Colonel A. W. Hamilton; associate judge, Ed Cole; clerk of the scales, P. P. Pomeroy; andicapper, John Boden; starters, R. Dwyer and Jake Holtman. Barney Schreiber was the only ab sentee and it was decided to defer the election of : permanent president until November 26. On that day, according to the present arrangement, E. J. 'Lucky' Baldwin, will be elected to preside over the deliberations of the new turf organization.
It is worthy of note that the stake nominations

to date are 1,296, which is far in excess of the number made to the Ascot stakes in any season Fourteen rich events are to be decided, which brings he average up to ninety-two for each stake, a pretty good showing for the new track.

Following is a list of the stakes with the value and the number of nominations:

Laughrey, Preen, Bob Ragon, Light Wool, Peter Sterling, Edwin Gum, Stanley Fay, Edwin T. Fryer, Ampedo and Prejuicio.

Los Angeles Derby, to be run March 7, 1908 contains the following among the eighty-five named: Colonel Bob, Magazine, Burt G. Lewis, Early Tide, Glorio, Meelick, Uncle, Kintuck, Johnny Edwards, Raleigh, L. C. Widrig, E. M. Fry, C. W. Burt, Stanley Fay and Centre Shot.

The following are among the number nominated to the Norfolk Handicap: Los Angeleno, Mamie Al-gol, El Primero, Reservation, Bragg, Elie, Avontellus, Woodsman, Montgomery, Miss Rillie, Dr. Leggo, Attila, J. R. Laughrey, Benvolio, Vincentio, Ramus, Wexford, Adonis, Livius, Prince of Orange, J. F. Donohue and Dusty Miller.

The Santa Anita division of the Schreiber stable arrived this morning from Woodlands in charge of trainer John Powers. Among the shipment four two-year-olds and seven yearlings, all of the latter being the get of Sain, Sir Hercules and Bannockburn. The crack colt, E. M. Fry, and the sprinter, Preen, were part of the shipment.

At present there are quartered at the Ascot track 110 yearlings and 392 older horses. The question of transporting their horses from Ascot to Santa Anita track has been puzzling trainers, the two tracks are situated about twenty miles apart. The management of the new track has ome to their assistance and proposes to make up a train of five cars and convey the horses by rail to the new track the latter part of the present week. Three trips will be made daily and it is thought that the transfer of all the horses can be made within two days. The trainers are delighted with this arrangement, as otherwise they would most likely be compelled to walk their horses over the long distance between tracks.

Every day witnesses the arrival of new stables. Four cars are on the way from Pimlico; two are coming from Latonia; two from Sheepshead Bay; troops and batteries of U. S. Cavalry and U. S. three from San Antonio; C. T. Boots is sending two

from his Elmwood Farm near Sacrumento; and five will arrive from Oakland before opening day, "Lucky" Baldwin has thirty horses ready to race and the stable will be shifted to the track this week, T. C. Cook being in charge

#### YEARLING TRIALS DISAPPOINTING.

Lexington, Ky., November 23.—The heavy rains of Monday and Wednesday somewhat retarded training operations at the Kentucky Association ourse this week, and unless there comes quite spell of good weather, the days on which the track will be fast during the coming four months will be few and far between. However, nearly all the yearlings quartered there have had their trials. and such as are not to be shipped to the winter tracks in Louisiana and California will in a s time be sent to the farms until spring. Generally speaking, the yearlings have not shown up as to speed. Some horsemen are of the oninion the track has not been as fast as it was in previous years, but the majority of those who have observed the work day by day maintain that this is not true. Whatever be the cause, it remains fact that not a youngster has yet shown a quar ter better than 23 seconds, and the two or three that attained that notch ran the easiest quarter of the track-along the level backstretch. Those that have run quarters in better than 24 seconds can be counted on the fingers of one's hands.

The colt by Monsieur de L'Orme, out of Suspension ran in 23 seconds with 127 pounds up. This young ster is a stoutly built blocky bay, owned by Milton Young, and trained by Dan T. Morris. He is more of the type of the saddle horse than that of the thoroughbred, and is much admired by those who have an eye for picture horses. Next in the esti-mation of the work-watchers is Julius Bauer's filly by Mesmerist—Disadvantage, and then it become a toss-up between Jerry Delph's Henry of Navarre-May Dixon filly and Julius Bauer's Previous Street filly.

The last-named two worked separately in 23% last funday, and there was an argument as to which was the better. The dozen or twenty who saw the work were divided in their opinions and they "chewed the rag" over it until finally Charles Dodson, the trainer of the May Dixon filly, proposed to bet \$100 that she could beat the other Thursday. It was not possible to have the match because of the muddy track. James Hukill's Carlton Grange-Grace Toffey colt, Kim Patterson's Nasturtium-Haste colt, R. L. Thomas' Sempronius—Lady Hope filly, Dan Morris' Star Shoot—Hindoo Rose filly, and Milton Young's Sempronius—Tody Smith colt are the others that are best liked by the rail birds.

The only stables to leave here in the immediate future are those of R. L. Thomas, which is expected to get away tomorrow for the new Arcadia track, and T. C. McDowell, which will go to New Orleans about December 1. Mr. McDowell says his year-lings have not worked altogether satisfactorily and that he has not been able to make up his mind about them. He will not take many of them south. "I'm sort of culling them out so that I can get my stable in one car," he says.

Phil T. Chinn left here tonight for Los Angeles He has been spending a week with James H. Reed Ching has twenty-nine horses at Santa Anita Park and is looking forward to a successful winter.

Jack Baker got in from New York Tuesday night and will put in the winter at home. He weeded his stable down to three before leaving New York— Dick Finnell, May Hamilton and a yearling full Dick Finnell, brother to Funiculaire. These will arrive next

Sanford Lyne says he expects his son, Lucien yne, who has been riding in England, France and Germany this year, to arrive home within the next William Lakeland has transferred the stallion

Goldcrest from the Gardner Farm near this city to Woodburn Farm. He will make a public season there next spring under the management of J. H. Morris.

### ENGAGEMENTS OF JOCKEYS ABROAD

"Regarding jockeys' retainers for next year, it may be stated that Maher continues to ride for Lord Derby, and so far has no second retainer, and he would only accept one in the event of Lord Rose wanting him. Maher does not propose visit America this winter, but intends to hunt till January and then go to Switzerland to join J. H. Martin and his wife, who, as usual, will winter at Davos Platz. Martin has concluded his engage ment in Austria and is open to accept a retained in this country. Another jockey who wants a retainer is Arthur Templeman, whose apprentice ship expires next April.

"Templeman sails for India, where he has a ducrative engagement for the winter, but he will be back in March. Escott has likewise been secured for the winter campaign in India. Willie Griggs goes at the end of the racing season. Auber, the property of Mr. A. A. Apcar, who has given Griggs his retainer, leaves England for the land of his adoption also. Auber will be in charge of Ernest of Royston, who brought Bill of Portland and Carbine from Australia, took Ormonde to Cali seven voyages with valuable fornia, and has made horses to India. Higgs' engagements year will be the same as this. Mr. J. C. Sullivan has first claim, the Beckhampton Stable second, and Lord Rosebery third."-London Sportsman.

### IRELAND RACING SEASON'S PRODUCT.

The Irish season, which terminated the first week of November at Leopardstown, was, on the whole, successful, although spoilt to some extent by the rain; but that the sport is in a healthy state vas amply demonstrated in the way of statistics. Mr. E. P. Gall heads the list of winning own with \$25,995, of which \$16,795 was won by his smart filly, Americus Girl, which has the distinc tion of having secured more money than has ever previously fallen in one season to any one animal in Ireland. Mr. R. Croker comes second with twenty-two races worth \$18,830, but adding his English successes (including Orby's Derby), he has had a good year. Next to him is Mr. J. J. Parkinson, who won thirty-five races, value \$13,525, and

then follow Mr. W. Dunne with \$10,255 and Mr. James Daly, \$6,335, while Mr. H. Whitworth, Sir Ernest Cochrane, Mr. John Widger and Mr. Blake have also reached four figures.

Among the winning stallions Americus comes out on top with \$24,750, Americus Girl being his sheet anchor. The defunct Lesterlin (a former companion at Glencairn of Americus) is second with \$12,930, and Grey Leg, Desmond, St. Gris, Peterhof (dead). Bushey Park and General Symons have also done well.

As to the trainers, as was the case last year, it has been a great struggle for first place between Michael Dawson and Mr. Parkinson, and the former just beats the Master of Maddenstown Lodge with thirty-two winners of sixty-one races, worth \$46,-105, as against Mr. Parkinson's thirty-three winners of fifty-nine races, worth \$44,380. Mr. Maxwell Arnott has had a splendid season, and in the matter of number of races won is easily first with seventy-eight, worth \$23,165.

the jockeys, J. Thompson, for the seventh year in succession, holds pride of place with fifty-three winners, C. Aylin and G. Brown tieing for Aylin and G. Brown tieing for second position with thirty-one each, or one more than F. Hunter. Mr. R. H. Walker, who rode fifty-three winners, and Mr. J. Manley, thirty-two, stand out by themselves amongst the amateurs.

#### FOREIGN TURF GOSSIP.

A statement issued by the French Department of Agriculture shows that the amount received by the pari-mutuel during the racing season just closed was \$60,070,535. As eight per cent of this goes to the state the treasury profits by the sum of ver \$5,000,000.

After Maher had steered Lord Derby's Burscough to victory in the final race at the Liverpool fall neeting, his lordship sent for the jockey, and, in accordance with the annual custom, highly com-plimented him upon his work during the season in the "black and white" livery.

After running in the Melling All Age Stakes on the last day of the Liverpool Autumn meeting, Richard Croker's Hayden was claimed by A. F. Bassett for \$3,850. The latter may be considered bargain, as Mr. Croker had given \$10,000 for him in the spring to lead Orby in his Derby work.

Richard Waugh, the well-known trainer, who as left the Royal Prussian Stud at Graditz, after twenty-five years' service, has received the Order of the Crown (fourth class), a distinction offered for the first time to a trainer, thus constituting an especial mark of royal favor. Mr. Waugh is about to open a new training establishment at Hoppegarten and will train for all comers.

Commenting on Star Shoot's success as a sire in this country, London Sportsman says: and owned by Captain (now Major) Eustace Loder, Star Shoot was got by Isinglass out of Astrology (dam of Telescope, etc.), and was himself a big two-year-old winner, his three successes at age including the National Breeders' Pr Produce Stakes at Sandown and the Hurst Park Foal Plate. It will be remembered that in the latter race Star Shoot was ridden by the then little Johnny who could go to scale at a trifle over eighty-four pounds, and he had to put up nearly forty-nine pounds dead weight.

### NOTES OF THE TURF.

A. Simons reports the death of the threeyear-old bay filly, Golden West, by Golden Garter-Aurania.

James G. Oxnard will race a small stable next year. The string will largely consist of two-yearolds, and William Brooks has been engaged as trainer.

Jockey Johnny Lindsey is in a New Orleans hos

pital, suffering from internal injuries received

falling from his mount in a race Thursday at the Louisiana track. The stallion Inflexible, which H. T. Oxnard leased to W. O'B. Macdonough for stud duty at his Ormondale Farm, in California, will probably be

brought back to Blue Ridge this winter. M. Lawrence, who owns an extensive breeding farm named Oakwood Stock Farm at Lincoln, Cal., will race nineteen horses at Santa Anita Park this winter. They have been prepared for racing on the mile track at the farm.

Most of the horsemen who will race at Santa Anita Park during the coming meeting have opened winter residences for their families at Monrovia, which gives them all of the advantages of city closer to the track than Los Angeles.

Sidney Lucas, the American Derby winner of 1990, which was in E. C. Cowdin's Kirklevington Stud in Kentucky until his owner, H. T. Oxnard, shipped him to New York last September, has arrived at Blue Ridge Stud and will be mated to a number of the best mares there next spring.

the end. Creston Boy rapidly overhauled the early leader and drew out on the last turn, seemed to be winning midway of the stretch, but succumbed finally. Bill Mayham, away poorly, steadily improved his position into a fast going third. Meada, outclassed here, dropped back at the start but finished well and runs well in mud. Katle Crews set a tremendous early pace, but failed to stay. Reuben was always outrun. The winner was entered for \$500; no bid.

Went to post at 2:10. At post I minute. Start good. Won easily; second driving; third the same. Husky was badly outpaced in the early running, but got up and won going away at the end of a sensational stretch sprint. Dareington, after close pursuit of the leaders, drew out midway of the stretch and appeared the winner, but succumbed finally and is extra good. Altadice, from a flying start, led under a pull to the far turn, where he was shut off and forced to pull up sharply and could never get up again. Albion H., always well up, held his own and ran a game race. All lone broke slowly, but forged to the front on the turn and led by a wide gap to the stretch, then quit badly near the end.

Went to post at 2:32. At post 2 minutes. Start good. Won easily; second driving; third the same, nique, from a good start, was shuffled back early, but closed up leisurely and drew out decisively in the cetch. Willis Green steadily improved his position into a fast going second. Vinton, after forward result of Taunt, forged into the lead on the last turn, but tired in the stretch. Taunt set the pace to a far turn, then thred and quit badly in the closing drive. St. Albans, shuffled back at the starf, made ground throughout. Wimple showed early speed. The winner was entered for \$500; no bid.

Scratched—63078 Nappa, 107; 71927 L. C. Ackerley, 104.

Winner—Ch. c, by Lord Esterling—Lucrece (trained by G. Forbes).

Went to post at 2:58. At post 2 minutes. Start bad. Won driving; second and third the same. Peter Sterling, lucky and forward in the running from the start, outstayed San Alviso in a terrific stretch drive. San Alviso, luckily and forwardiy placed, in the early running, drew out when straightened for home and appeared the winner to the final sixteenth, but tired after being crowded in the closing strides. Red Leaf, crowded back at the start, but reserved within striking distance, moved up rapidly on the inside in the last half and just failed to get up. Legatee, held at the post, and virtually left, closed an immense gap and just failed to get up in a whiriwind finish. Proper broke poorly and was outpaced in the early running, but finished fast and ran a good race. Johnny Lyons, away poorly, ran out on the first turn, then got to the lead and, after terrific and exhaustive pacemaking to the last furlong, tired. Mark Antony II. showed early speed, but failed to stay.

71956 FIFTH RACE-1 Mile and 50 Yards. (69280-1:414-4-98.) Purse \$400. 4-year-olds and upward. Selling. Net value to winner \$325.

Went to post at 3:27. At post 1 minute. Start good. Won handly; second driving; third the same. Pontotoc, suddenly and marvelously improved, established a quick lead and proceeded to successfully sprendeagle his opponents. Martinuas, a very slow beginner, held forth far in the rear and finished with a belated cyclonic stretch rush. Fisher Boy, away badly, trailed far in the rear to the stretch and came on with a sensational stretch sprint. Nine Spot ran forwardly from the start and held on well to the end. Corrigan ran a poor race after beating the barrier, was unable to keep his position and met with interference in the stretch. The winner was entered for \$600; no bid.

Went to post at 3:54. At post 6 minutes. Start good. Won driving; second and third the same. Arklirta trailed early, but moved up rapidly on the inside in the last half, found a lucky opening and drew out right at the end. Sugarmaid, skilifully reserved early, wore the leader down decisively in the stretch, but succumbed finally. Silver Stocking set a tremendous pace and only gave way after a game effort. Blondy, outpaced early, finished well and ran an extra good race. Cloudlight had no mishaps, outpaced the condition of keep up and quit at the end.

Falcada moved into nearest pursuit on the far turn and gamely held second place, but could never get near the winner. Smoker ran in improved form and was always prominent, but tired in the stretch. King Sol inished gamely. Live Wire tired and quit badly. Jubilee was always outpaced.

Winner—Ch. c, by The Greek—Miss Belinda (trained by M. Hirsch).

Went to post at 3:52. At post 3 minutes. Start good. Won driving; second and third the same. Goshen Chief was always prominent in the running and, in a game finish, won out because of being best ridden. Tenakoe showed the most speed and set the pace to almost the last stride and, with a stronger finisher up, would have won. Wonder Worker ran well throughout and is promising. Woolspun finished well. Margaret showed speed, but failed to stay.

Keator broke fast into a good lead at once and, maintaining his speed well under a good ride, won with plenty in reserve. Plantland lunged in the air as the start came and was forced to go wide on the first turn, but saved much ground when turning into the stretch and, wearing Chief Hayes down, was an easy second. Yankee Girl was given an easy ride and can do much better.

Winner—Br. h, by Pirate of Penzance—Marmora (trained by J. B. Brannon).

Went to post at 4:38. At post 1 minute. Start good. Won driving; second and third the same. Jungle Imp, favored by the stiff going, was kept under hard restraint for the first three-quarters, then neved into a long lead on the stretch turn, but Mountain eased him up, was almost caught napping and bartely got him home. Sea Salt, hard ridden all the way, was not good enough to beat the winner, but finished gamely and came near to scoring a lucky win. Thistle Do ran a good three-quarters before tiring and will improve. Matabon quit in the last half. Little Elkin began with his customary slowness and finished going fast. The winner was entered for \$600; no bid.

Overweights—Jungle Imp, 1 pound.

## Important to Investors."

To win at the racing game you must stop guessing and speculating, and never bet a dollar unless you have a good mathematical reason to show you that the horse you are playing is in the right field and has been assigned the proper weight, and that the distance is properly suited. To do this you must be an expert handicapper, which I claim to be after ten years of study and success. I have none of the so-called stable information or long-shot sleepers to mislead the public, but only a plain, expert way of handicapping, and so confident am I in my method of selecting winners that I am willing to wire them one good bet at Oakland and New Orleans on Monday, Dec. 2nd, absolutely free to all investors who will send me their wire address. me their wire address
